According to biblical teachings, divine health is a covenant right for believers, rooted in God's promises and secured through faith and obedience.

Biblical Foundations

The concept of divine health is deeply embedded in scripture. Key verses include:

Bishop Oyedepo emphasizes that divine health is a covenant right, available to all who understand and activate biblical principles.

The Key Principles to Divine Health According to David Oyedepo

1. Faith as the Foundation

At the heart of Oyedepo's teachings is the unwavering belief that faith activates divine health. He advocates that believers must rely on God's promises rather than solely on natural remedies or medical science alone.
